FOREWORD

This 1960 edition of the Caloosahatchian has been published with but one thought in mind: to bring to you a complete picture of the past year at Fort Myers High School.

There are those on the faculty and in the community without whose help this book could never have been published. To them and to everyone who has been so kind and patient, our sincere thanks.

IN DEDICATION

TO YOU THE LEADER

Who, through persistence and much hard work, helped us to have a better Student Council.

TO YOU THE TEACHER

Who, through patience and time, inspired us to be better students and to work our hardest.

TO YOU THE FRIEND

Who helped us with our problems when they seemed to be too hard to solve.

TO YOU MR. E. C. THOMPSON

We, the Senior Class, proudly dedicate the 1960 CALOOSAHATCH-
IAN.

DEDICATION

HELLO:

I am here to guide you through the 1960 edition of the CALOOSA-HATCHIAN.

This year at MHS was full of work, fun, and just plain good times. We had problems, heartaches, football games, dances, pep rallies and many other events that contributed to making this year the best yet.

We see the Seniors leave and begin their life in the world of adults, the Juniors take on the prestige of being Seniors. The Sophomores move into a higher realm; the Freshmen grow older as others take up the position of being the "youngest."

Now let us recapture together this happy year at MHS

WE BELIEVE . . .

In Developing Personality . . .

In Promoting Social Life . . .

In Promoting Health . . .

In Developing Academic Skills . . .

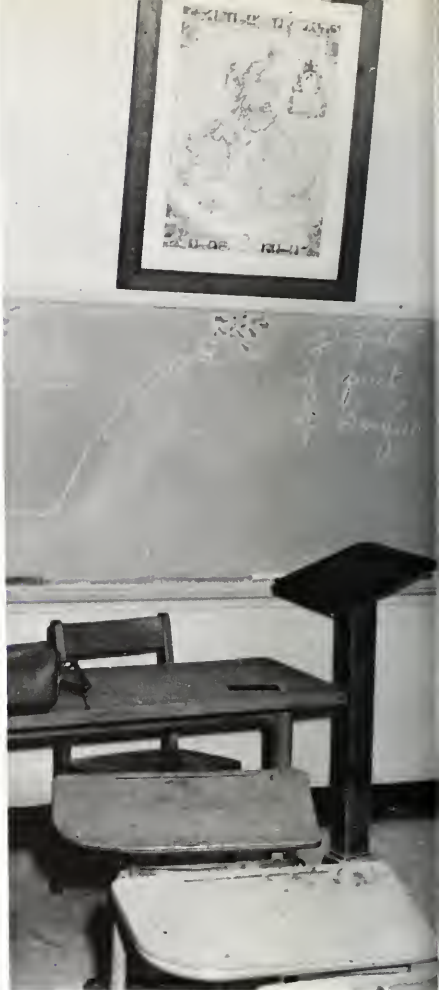

In Developing Good Citizenship . . .

And In The Appreciation of True Values.

Best of luck
to a nice kid.
Karin Mitchell

ADMINISTRATION

Mr. Earl Hord, since 1955 the Chairman of the Lee County Board of Public Instruction, was born on January 17, 1913, in Fort Myers.

His long-stemmed interest in the development of education in Lee County comes from the fact that he was educated in the public schools of this county and is a graduate of Fort Myers High School.

To you, Mr. Earl Hord, we would like to express our deep appreciation for the many hours you have devoted to us and to education in Lee County.

LEE COUNTY SCHOOL BOARD

The rising standards of education in Lee County are largely attributable to the efforts of these six men who compose the Lee County Board of Education.

Through their selfless and untiring efforts Lee County schools are constantly improving to keep abreast of those of the rest of the United States.

Betty Canady is the secretary at M.H.S. Her duties include taking letters for Mr. Hutzler and Mr. Barker, working the switchboard, and taking care of school insurance. Miss Canady is a graduate of Tampa College A newcomer to the office staff is Mrs. Helen Ellis who serves as bookkeeper. Her daily duties consist of handling all the receipts from the clubs, library, special activities, and class dues, and recording all financial transactions concerning the school.

Mrs. Gertrude Conover is a graduate of Erie Commercial College in Erie, Pennsylvania. For six years Mrs. Conover has served M.H.S. as registrar. She works diligently, handling the school records, sending, receiving, and recording transcripts; checking the eligibility lists; and recording the withdrawals Back for her second

year as office assistant is Mrs. Gwynne Lawrence. Mrs. Lawrence is responsible for taking care of the business counter, duplicating tests, handling the signout sheet, and marking the files. Mrs. Lawrence attended Georgia State College for Women.

LEFT TO RIGHT: Dorothy Albritton, Ruth Braun, Donnie Dukes, Louise Conrod, Juanita Nelson, Helen Munro, Vergie Crews, and Ruth Lupo.

Under the capable management of Mrs. Lupo the cafeteria this year showed a marked improvement. A pleasant innovation was the availability of choices of food for the hard-to-please pupil or faculty member. The entire staff of the lunchroom deserves praise for the way the meals are prepared and presented.

*Remember all of the
good times we had
together
Clifford*

LEFT TO RIGHT: Doc Fulk, Clifford West, Tom Boston, Eddie Bradwell, Carl Cannon, Lance Barker.

One of the biggest jobs is that of the custodians. They must be able to do a little bit of everything in order to keep the building in perfect order. The complete maintenance of the school plant is completely under their control.

*Remember all of my times together
the parties we had and all of our double
dates. Doc*

CLASSES

SCHOOL PRAYER

Forgive our feverish ways!
Reclothe us in our rightful mind;
In purer lives thy service find,
In deeper reverence, praise.*

SPORTS

VARSITY FOOTBALL

FORT PIERCE

Opening the 1960 season, the Green Wave dropped the first game to Fort Pierce, who squeezed out an 18-14 win. The hard-hitting Fort Pierce eleven were met by an inexperienced Wave squad who managed to make a fine showing despite the loss.

DADE CITY

The Greenies, not as green as the week before, suffered a second loss for the season at the hands of Dade City. The Dade team held the ball during a large portion of the game, and managed to score 13 points, while holding a hard fighting Greenie team scoreless. The final score—13-0.

RIVerview HIGH

The men in green snapped back from two defeats to win the third game of the season from Riverview High. The score—a terrific 41-0. The team was considerably encouraged, and hopes for a good season were raised higher than ever before.

SOUTH DADE

A powerful South Dade team smashed the Greenies' hopes for a second win with a close 20-12 victory. The Wave fought a hard battle and held their own until the last quarter, when a late score by Dade wiped out their chances.

SANFORD

The Mighty Greenies picked up another win when they romped over a powerful Sanford team by a close 14-13. Fine defensive efforts backed up powerful offensive plays by the team, and we took a one-point lead to shatter Sanford hopes for an undefeated season.

BELLE GLADE

The Belle Glade Golden Rams suffered a defeat at the hands of the Green Wave in the sixth game of the season, in an exciting contest between strong teams. Belle Glade defense, however, was not up to par, and our boys rolled over them with a 12-0 final score.

VARSITY FOOTBALL

WAUCHULA

Performing before a large homecoming crowd, the fighting Green Wave tamed the victory-hungry Wauchula Wildcats with a 27-0 score. Wildcat offense was fast and hard-hitting, but the Cats could make no headway against the Greenies, who held them scoreless, while they racked up a fine score.

DAYTONA

Fighting hard to make the season turn out to be a good one, the Greenies pulled several fast plays out of a hat, and proceeded to roll over the Daytona Beach squad. Fine offensive play gave the team 33 solid points, and defense kept Daytona down to 6 points.

WINTER HAVEN

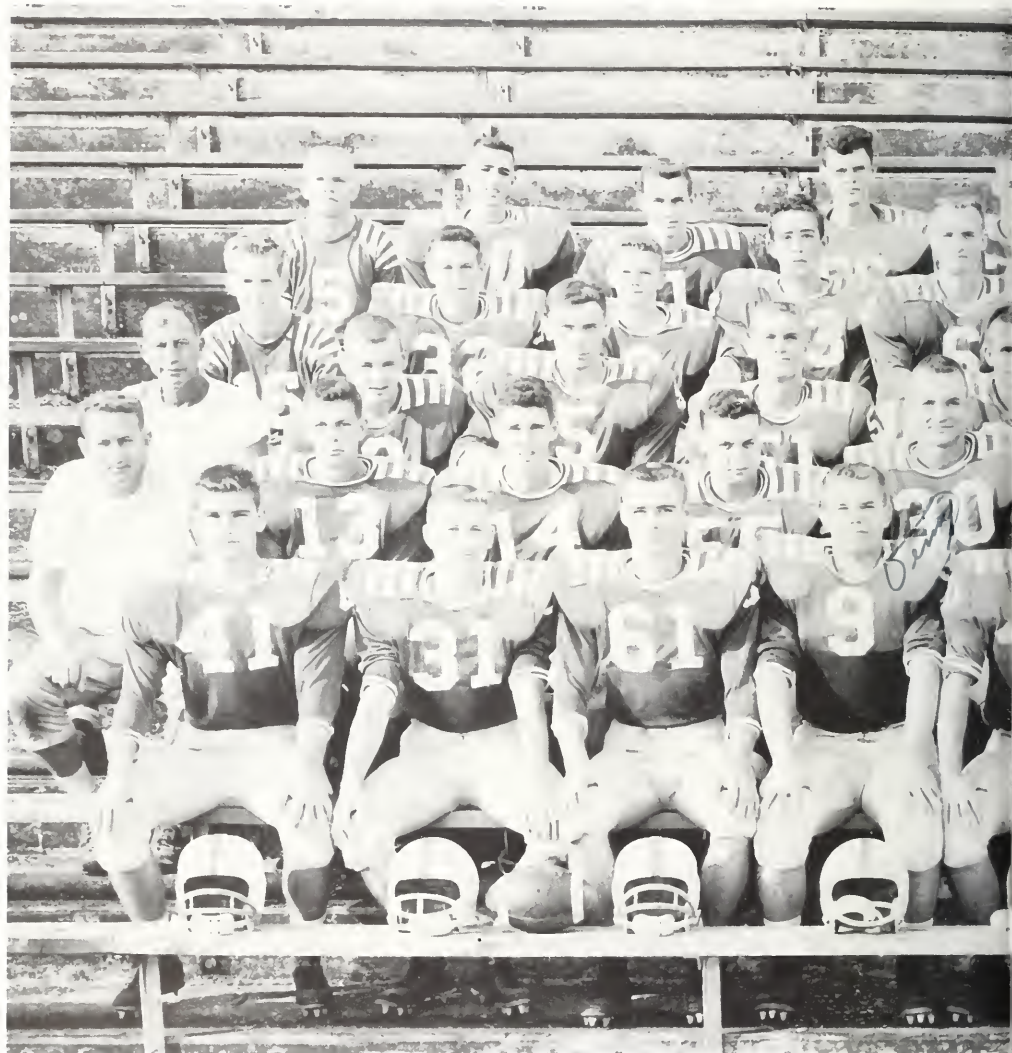

500 loyal fans accompanied the team to Winter Haven for the last out-of-town game, and were delighted to see the boys grind out a close 7-0 win. Line play supported the backs, and the team worked like a well-oiled machine.

SARASOTA

The Green Wave topped off the 1960 season on Thanksgiving eve by defeating its old rival, Sarasota, by 41-13. Fans went wild as the team raced across the goal again and again to put the game "in the bag" and duplicate last year's season.

The Caloosahatchian staff publishes and sells the yearbook each year.

Under the capable guidance of Mr. William Peed, the students work hard to meet the four deadlines set up at the beginning of the year.

They have endeavored to publish an excellent annual this year, a yearbook which the entire student body may be proud to have as their own.

Our Mighty Green Wave Band under the direction of Mr. R. T. Kirk had a very successful year. Leading the Band was Drum Major, Donnie Dance, who did a very fine job. Head Majorette was Yvonne Wilby and Mike Jones was Solo Twirler.

The band also participated in district and state competition. All in all our "Greenie Band" made over 30 public appearances this year.

Rehearsal

Ruth Ann Bell, Student Director; Carol Navarra, Assistant Director; Mr. Frank Riley, Director; and Ruth Lawrence, Assistant Director.

For the first time in the history of MHS, the Senior Class presented a drama for its class play. "Lost Horizon" was a challenge to its cast; a challenge that resulted in great success. Near capacity audiences viewed the play on two successive evenings and press notices attested to the play's success.

"PROFESSOR! HOW COULD YOU!"

Linda Luna, Student Director; Ann Walters, Student Director; Mr. Hal Martin, Director; Mrs. Wayles Stapor, Director.

Rehearsals were lively as the time for opening night came closer.

The Junior Class displayed its talent with the successful production of "Professor! How Could You!" The play was a delightful comedy that kept the audience laughing every minute. Once again a class at MHS has excelled in a dramatic performance.

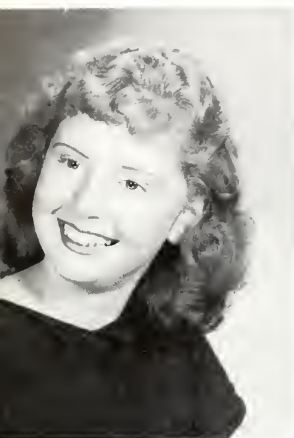

The entire cast takes a well deserved bow.

GIRLS STATE

A highly educational week was spent in Tallahassee by the participants of Girls State this past summer. These students were given the experience of organizing a complete state government.

City and county offices were held by each of our delegates and four of them were fortunate enough to be elected to state offices.

These girls, as well as the boys chosen for Boys State, were chosen on the basis of character, scholarship and leadership ability.

BOYS STATE

Twelve boys from Ft. Myers Sr. High School journeyed to our capitol city this past summer to attend the annual meeting of Boys State.

State offices were held by John Kline and Charles Edwards. Charles was also a nominee for Boys Nation which is a great honor since only

two boys are chosen to go.

The delegates for Boy and Girls State are sponsored by the American Legion and the American Legion Auxiliary with various other civic organizations contributing.

GLEE CLUB

SINGING CHRISTMAS TREE

This year our Glee Club was invited to Washington, D.C., to sing for President Eisenhower. They raised \$8,600 by public contribution to finance the trip. Two coaches, containing 95 students and 13 chaperones, pulled out of the Atlantic Coast Line Station at 9:45 on December 21st. This was the beginning of a six day holiday.

After 24 hours of riding, the singers arrived in the capital to find the ground covered with snow. For many students, the sight of snow was a new and exciting experience. The group spent four nights in the Willard Hotel.

Performances were given on December 23rd, 24th, and 25th for the Pageant of Peace. On the 23rd, following President Eisenhower's report of his European trip, national television picked up the Glee Club singing "Joy to the World."

Tours, including the Smithsonian Institute, Mount Vernon, the Washington Monument, the White House, Arlington Cemetery, the Bureau of Printing and Engraving, the Capitol, and the Lincoln and Jefferson Memorials, were taken by the singing group.
